Such offer to Resident to serve as Chief Resident shall be evidenced by a Chief Resident Offer Letter and such letter is incorporated herein by reference. In the event circumstances warrant that Resident cannot function within the capacity of Chief Resident following Resident’s appointment, the DIO, Director of Graduate Medical Education, and/or the Program Director may, in their sole and absolute discretion, remove such a distinction from Resident and, in such event, Resident shall no longer be entitled to and shall not receive the Chief Resident Additional Compensation.

6.6. **Honoraria, Expert Fees and Royalties.** Resident shall not provide or accept an engagement to provide medical or consulting (including marketing, speaking,

6.9. **Compliance.** The parties acknowledge that although Resident is obligated to provide the Medical Education Services as specified in this Agreement, there is no obligation of Resident to refer patients to Broward Health or any affiliate of Broward Health, and there is no obligation of Broward Health to refer patients to Resident. The parties intend to comply with 42 U.S.C. § 1320a-7b (b) (commonly known and hereafter referred to as the Anti-Kickback Statute), 42 U.S.C. § 1395nn (commonly known and hereafter referred to as the Stark Law) and any other federal or state law provision governing fraud and abuse or self-referrals under the Medicare or Medicaid programs, as such provisions may be amended from time to time. This Agreement will be construed in a manner consistent with compliance with such statutes and regulations, and the parties hereto agree to take such actions necessary to construe and administer this Agreement accordingly. The parties in good faith believe that this Agreement fully complies with the provisions of the Anti-Kickback Statute and applicable exceptions to the Stark Law self-referral regulations (42 C.F.R. §§ 411.351 – 357). No amount paid hereunder is intended to be, nor shall be construed as, an inducement or payment for referral of or recommending referral of, patients by Resident to Broward Health (or its employees or agents) or by Broward Health (or its employees and agents) to Resident. In addition, fees charged hereunder do not include any discount, rebate, kickback or other reduction in charge, and the fees charged hereunder are not intended to be, nor shall they be construed as, an inducement or payment for referral, or recommendation of referral, of patients by Resident to Broward Health (or its employees and agents) or by Broward Health (or its employees and agents) to Resident. The sole purpose of the payments to Resident hereunder is to pay fair market value for Medical Education Services
actually rendered by Resident to Broward Health hereunder. This Agreement shall be interpreted and construed at all times in a manner consistent with applicable laws and regulations governing the financial relationships among individuals and entities that provide or arrange for the provision of items or services that are reimbursable by governmental health care programs or other third-party payors.

6.10. **Commercial Reasonableness; Fair Market Value.** It is the intent of the parties that all compensation provided for the Medical Education Services set forth herein shall be commercially reasonable and within fair market value at all times. The parties hereto represent, covenant, and agree that the compensation set forth herein has been determined through good faith and arm’s length bargaining to be commercially reasonable and fair market value for the Medical Education Services to be provided by Resident hereunder. The parties further represent and warrant that the aggregate Medical Education Services under this Agreement are reasonable and necessary for the legitimate business purposes of the employment arrangement. If Broward Health obtains a fair market value analysis or commercial reasonableness analysis from an independent consultant that determines that the compensation is or has become above fair market value and/or no longer commercially reasonable, Broward Health may in its sole discretion: (i) automatically adjust the compensation set forth in this Agreement to reflect the fair market value for the Medical Education Services; or (ii) terminate this Agreement for a material breach as set forth in Section 7.2.4.

7. **Term; Termination.**

7.1. **Effective Date; Term.** Resident’s employment pursuant to the terms of this Agreement will commence on the Effective Date set forth in the Agreement Summary Section and remain in full force and effect until the expiration of the Term, or the earlier termination of this Agreement as herein provided.

7.2. **Termination.**

7.2.1. **Termination Prior to Effective Date.** This Agreement may be terminated by Broward Health prior to the Effective Date upon the occurrence of one of the following events:

7.2.3.1. Broward Health reasonably determines, after advance notice to Resident and an opportunity for Resident to respond as suitable to the circumstances as determined by Broward Health in its sole discretion, that Resident has engaged in fraud, misappropriation, embezzlement, sexual harassment, retaliation, illegal discrimination, or any intentional tort or other willful misconduct that may tend to adversely affect or reflect in any material respect upon Broward Health;

7.2.3.6. In any of the foregoing circumstances requiring notice, during the notice period, Broward Health may, in its sole discretion, elect to suspend Resident’s performance of Medical Education Services under this Agreement without pay.

7.2.4. Following a reasonable opportunity to cure, either party may terminate this Agreement at any time upon the other party’s material breach and, in the event of Resident’s material breach, following reasonable due process in accordance with the GME Policies and Procedures.

7.2.5. If Broward Health and Resident mutually agree in writing, this Agreement may be terminated on the terms and dates stipulated therein.

7.2.6. Broward Health may terminate this Agreement if Resident suffers a disability and is unable to perform Resident’s duties under this Agreement in accordance with the terms and conditions herein for a total of one hundred eighty (180) days in a calendar year, whether consecutive or not. For purposes of this Section 7.2.6 only, “disability” shall mean any illness, physical or mental, resulting in the inability of
Resident to perform Resident’s duties under this Agreement for a total of one hundred eighty (180) days in a calendar year.

7.2.7. This Agreement shall terminate immediately upon Resident’s death.

7.2.8. This Agreement may terminate in accordance with the terms of Section 8.4 of this Agreement or any other Section that provides for termination of this Agreement.

If the deficiencies which led to Resident’s Remediation/Performance Improvement Plan are not corrected to the GME Program’s and/or Residency Program’s satisfaction, Broward Health, in its sole discretion, may place Resident on probation or terminate this Agreement and the Resident from the Residency Program immediately. Notwithstanding the foregoing, the GME Program may immediately suspend Resident from the Residency Program if at any time the GME Program and/or the Residency Program determines that Resident poses a danger to patient care. In any event, Broward Health shall always comply with the due process requirements as further detailed within the GME Policies and Procedures.

7.5. **Post-Termination Obligations.** Resident shall provide Broward Health with reasonable post-termination cooperation, which shall include, but shall not be limited to, the following: (i) Resident must furnish such information and assistance to Broward Health as may be reasonably required by Broward Health in connection with any litigation or settlement of any dispute between Broward Health and any third parties, including, without limitation, serving as a witness in court or any other proceedings; (ii) Resident shall provide Broward Health with such information or assistance as is reasonably necessary in connection with any regulatory examination by any state or federal regulatory agency; and (iii) Resident shall keep Broward Health’s trade secrets and other proprietary or confidential information private to the fullest extent practicable, subject to compliance with applicable laws and as may be required and/or otherwise

7.5.1. **Return of Materials.** Upon the expiration of or in the event that this Agreement is terminated or not renewed, Resident will promptly return any and all Broward Health property and cease utilizing Broward Health’s services that were made available to Resident as a result of Resident’s status as an employee of Broward Health. In addition, all records of any kind and any and all other documents or equipment that belong to Broward Health or contains information related in any way to the business of Broward Health. Resident acknowledges that all such materials are now and will always remain the exclusive property of Broward Health. The covenants and obligations contained in this Section 7.5.1 shall survive the termination or expiration of this Agreement.

8. **Regulatory Matters.**

8.1. **Federal and State Laws.** Resident has not entered into, and during the Term agrees not to enter into, any financial relationships prohibited under the Stark Law and the regulations promulgated at 42 C.F.R. 411, et seq., or similar state or local statutes or regulations prohibiting certain financial relationships among health care providers, now in existence or as amended. Resident has not engaged in, and during the Term shall not engage in, any activities prohibited under the Anti-Kickback Statute, including any amendments to such law, the regulations promulgated pursuant to the Anti-Kickback Statute, related state or local statutes or regulations, or rules of professional conduct. The obligations under this Section shall survive termination, or nonrenewal of this Agreement.

8.2. **Corporate Compliance.** Resident acknowledges that Broward Health has adopted a program to facilitate its compliance with laws and regulations including, without limitation, Section 6032 of the Deficit Reduction Act of 2005 (“Compliance Program”). Resident acknowledges that (a) a summary of the Compliance Program and a link to Broward Health’s policies and procedures related to the Anti-Kickback Statute and Stark Law have been provided to Resident and (b) Resident has reviewed such materials. Resident shall participate in the Compliance Program, including without limitation, adherence to the corporate philosophy statement and all written codes, policies, and guidelines of the Compliance Program. Resident shall participate in in-service compliance education programs and activities, including in-person compliance education programs, as requested by Broward Health, and contribute to the ongoing compliance efforts as an integral part of Resident’s duties and responsibilities. Resident understands that the Compliance Program shall change from time to time and Resident agrees to adhere to the codes, policies and guidelines of the Compliance Program as they may be modified in the future. Resident’s performance of Resident’s job responsibilities in a manner consistent with the
Broward Health Code of Conduct and Resident’s compliance with the Broward Health Policies and procedures regarding the Compliance Program, including those policies and procedures regarding the Stark Law and the Anti-Kickback Statute, shall be elements of Broward Health’s evaluation of Resident’s performance under this Agreement. In addition, Resident shall comply with the provisions of Broward Health’s Human Resources Administrative Manual, and the Broward Health Code of Conduct, both as adopted and amended from time to time, in order to ensure ethical behavior and clinical competence in the treatment of patients. Resident acknowledges that Resident will receive, review, and abide by the Broward Health Code of Conduct and laws regulating Resident’s conduct as an employee of a public entity. Resident understands that failure to support, adhere to and promote the Compliance Program, Code of Conduct, policies and guidelines, and laws regulating Resident’s conduct as an employee of a public entity, as well as the failure to participate in in-service compliance education programs, constitutes a material breach of the Agreement and may result in (a) reduction of compensation, (b) other sanctions, and/or (c) termination of the Agreement.

8.3. **FERPA.** The parties acknowledge that the Family Educational Rights and Privacy Act of 1974 (“FERPA”) protects the privacy of Resident’s educational records. Broward Health and the Graduate Medical Education Program shall maintain the confidentiality of those records in accordance with FERPA and any successor statute or regulation.

8.4. **Changes in Law.** The parties acknowledge that the existing law and regulations may change and that the courts or state or federal agencies with appropriate jurisdiction may change their interpretation of existing law.

8.4.1. Following the enactment or amendment of any state or federal law, rule or regulation, or upon the issuance of any judicial order, government directive or interpretive guidance of any existing or future state or federal law, rule or regulation, should either party, after consultation with its legal counsel, conclude in good faith that any provision of this Agreement and/or any activity hereunder is in violation of any applicable federal or state law, regulation, or rule, such party shall (i) immediately notify the other party in writing of such concern, including the specific provision and/or activity giving rise to such concern (the “Compliance Notice”); (ii) obtain a legal opinion from a mutually agreeable reputable law firm with experience in health care law concluding that the provision and/or activity violates applicable law, regulation, or rule and (iii) promptly, but in no event later than thirty (30) days, share said legal opinion with the other party after receipt of same. The parties shall use their reasonable best efforts during a ninety (90) day period from the date the Compliance Notice is initially received by the other party to mutually agree to such amendments to this Agreement as to permit its valid and legal continuation; provided, however, that the parties shall exercise their best efforts to
accommodate the terms and intent of this Agreement to the greatest extent possible within the requirements of law. If after such ninety (90) day period, the parties are unable to agree to amend this Agreement, this Agreement shall automatically terminate.

8.4.2. Following the enactment or amendment of any state or federal law, rule or regulation, or upon the issuance of any judicial order, government directive or interpretive guidance of any existing or future state or federal law, rule or regulation, should Broward Health conclude in good faith that its health care delivery system is materially affected, the parties agree to use their reasonable best efforts during a ninety (90) day period thereafter to mutually agree upon modifications which are consistent with industry best practices, Broward Health policy and/or are beneficial to the community. If, after using best efforts, the parties are unable to reach any such agreement, then either party may terminate this Agreement upon thirty (30) days written notice or the effective date of the change, whichever is earlier.

9. **Confidentiality.**

9.1. **Confidentiality: Confidential Information.** Resident acknowledges that, as a result of this Agreement, Resident may become informed of, and have access to, valuable and confidential information of Broward Health, including, without limitation, pricing information, fees, budgets, charges, protocols, policies, staffing, business planning, and strategies (“Confidential Information”). Accordingly, except as required by law, Resident will not, at any time, either during or subsequent to the Term, use, reveal, report, publish, copy, transcribe, transfer, or otherwise disclose to any person, corporation, or other entity, any of the Confidential Information without the prior written consent of Broward Health, with the exception of disclosure to state licensing agencies, The Joint Commission, and other responsible persons who are in a contractual or fiduciary relationship with Resident and who have agreed not to further disclose the Confidential Information. Resident’s obligations and agreements under this Section shall not apply to any Confidential Information that: (i) was known to Resident prior to the disclosure by Broward Health, (ii) is or becomes generally available to the public other than by breach of this Agreement, or (iii) otherwise becomes lawfully available on a non-confidential basis from a third party who is not under an obligation of confidence to Broward Health. Notwithstanding anything to the contrary contained in this Agreement, Resident acknowledges that Broward Health, as a public entity, is subject to, among other things, Florida’s public records laws, which makes materials communicated to or from Broward Health pursuant to this Agreement subject to disclosure under such laws unless specifically exempted from disclosure or made confidential under Florida Statute. All non-disclosure and confidentiality obligations contained herein are subject to the Florida Public Records Act, chapter 119, *et seq.*, Florida Statutes.
9.2. **Confidentiality and Ownership.** All modalities, plans, and programs, and all patents, formulae, inventions, ideas of inventions, processes, copyrights, know-how, proprietary information, trademarks, trade names, strategic and operational planning information, and other medical and patient related developments (collectively "Items"), or future improvements to such Items, developed or conceived by Resident in the course and scope of Resident’s employment under this Agreement, or with the use of the facilities, property or personnel of Broward Health, shall be promptly disclosed to Broward Health and shall become the sole property of Broward Health. At any time during the term of this Agreement and thereafter, Resident, upon request by Broward Health, shall execute an assignment of such Items to Broward Health and execute such other instruments as Broward Health shall request to protect Broward Health’s interest in such Items.

9.3. **Request for Confidential Information or Terms.** If Resident receives a request to disclose Confidential Information or the terms of this Agreement under the terms of a subpoena or other order by a court of competent jurisdiction or by a government agency, Resident will: (i) consult with Broward Health on the advisability of taking steps to resist or narrow that request; (ii) if disclosure is required, furnish only such portion of the Confidential Information or the terms of this Agreement as Resident’s counsel determines, in writing, that Resident is legally required to disclose; and (iii) cooperate with Broward Health in its efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to that portion of the Confidential Information or the terms of this Agreement that is required to be disclosed.

9.4. **Return of Confidential Information.** All tangible Confidential Information and other documentation supplied either directly or indirectly pursuant to this Agreement, including all copies thereof, or reproductions or drawings made therefrom, shall remain the property of Broward Health and shall be returned immediately upon written request by Broward Health or upon termination or expiration of this Agreement.

9.5. **Survival.** The obligations under this Section shall survive termination, or nonrenewal of this Agreement.

10. **Restrictive Covenants**

10.1. **General.** Resident acknowledges and agrees that, as a result of entering into this Agreement, Resident will form beneficial relationships with Broward Health’s patients and Medical Staff physicians and will have access to Confidential Information belonging to Broward Health. Resident also acknowledges and agrees that (a) these beneficial relationships, as well as the goodwill that will be attributed to Resident due to Resident’s association with Broward Health during and subsequent to the term of this Agreement, are among the benefits to Resident bargained for under this Agreement, (b) Broward Health has protectable interests in its goodwill, in attracting patients to Broward Health and its different facilities
for treatment, and in its Confidential Information, and (c) if Resident discloses or permits the disclosure of Confidential Information belonging to Broward Health, Broward Health will be irreparably harmed. It is the intention of the parties that Broward Health be given the broadest protection allowed by law with regard to the restrictions set forth in this Article 10.

10.2. **Confidentiality; Restriction on Disclosure.** Resident recognizes and acknowledges that the Confidential Information (as defined in Section 9) obtained by Resident with regard to Broward Health (or any of its affiliates, physicians, principals, patients or business associates) during the course of Resident’s employment with Broward Health, and not generally known in the public domain, represents valuable, special and unique and proprietary assets of Broward Health’s business. During Resident’s employment with Broward Health and following the termination of Resident’s employment, whether the termination shall be voluntary or involuntary, or with or without cause, or whether the termination is solely due to the expiration of the term of this Agreement, Resident shall not at any time, directly or indirectly, disclose, disseminate, publish or permit the disclosure, dissemination or publication of any Confidential Information, to or for any other person, group, firm, hospital, association or other entity, or utilize the same for any reason or purpose whatsoever other than for the benefit and at the request of Broward Health unless required by applicable law. Upon termination of this Agreement, or at any time upon the request of Broward Health, Resident shall promptly deliver to Broward Health all Confidential Information, including all memoranda, notes, records, reports, manuals, drawings, blue prints, formulas and other documents (and all copies thereof) relating to the business of Broward Health and all property associated therewith, then in the possession, custody or control of Resident.

10.3. **Hiring.** Resident agrees that during Resident’s employment with Broward Health and for a period of two (2) year(s) following the termination of Resident’s employment with Broward Health, whether the termination shall be voluntary or involuntary, or with or without cause, or whether the termination is solely due to the expiration of the term of this Agreement, Resident will neither attempt to hire nor hire any other employee of Broward Health, or otherwise encourage or attempt to encourage any other employee of Broward Health to leave Broward Health’s employ.

10.4. **Solicitation.** During Resident’s employment with Broward Health and for two (2) year(s) following the termination of Resident’s employment with Broward Health, whether the termination shall be voluntary or involuntary, or with or without cause, or whether the termination is solely due to the expiration of the term of this Agreement, Resident shall not, in any manner, solicit or encourage any person, firm, hospital or other business entity who are patients, business associates or referral sources of Broward Health to cease doing business with Broward Health.
10.5. **Covenants Independent.** Each restrictive covenant on the part of Resident set forth in this Agreement shall be construed as a covenant independent of any other covenant or provision of this Agreement or any other agreement that Broward Health and Resident may have fully performed and not executory, and the existence of any claim or cause of action by Resident against Broward Health whether predicated upon another covenant or provision of this Agreement or otherwise, shall not constitute a defense to the enforcement by Broward Health of any other covenant.

10.6. **Divisibility of Covenants.** If a court or arbitrator of competent jurisdiction determines that any of the restrictive covenants set forth in this Article 10 is unreasonable in nature, duration or geographic scope, then Resident agrees that such court or arbitrator shall reform such restrictive covenant so that such restrictive covenant is enforceable to the maximum extent permitted by law for a restrictive covenant of that nature, and such court shall enforce the restrictive covenant to that extent. The remaining restrictions in this Agreement shall be enforced independently of each other.

10.7. **Injunctive and Equitable Relief.** Resident and Broward Health recognize and expressly agree that the extent of damages to Broward Health in the event of a breach by Resident of any restrictive covenant set forth herein would be impossible to ascertain, the irreparable harm arising out of any breach shall be irrebuttably presumed, the remedy at law for any breach will be inadequate to compensate Broward Health and there are legitimate business purposes for the restrictive covenant, including, but not limited to, the protection of the goodwill of Broward Health, and its various business relationships. Consequently, Resident acknowledges that in the event of a breach of any such covenant, in addition to any other relief to which Broward Health may be entitled, Broward Health shall be entitled to enforce the covenant by injunctive or other equitable relief ordered by a court of competent jurisdiction.

10.8. **Venue; Court Proceedings.** Venue of any action, proceeding, counterclaim, cross-claim, or other litigation relating to, involving, or resulting from the enforcement of any of the covenants set forth in this Article 8 shall be in Broward County, Florida. In any action or proceeding relating to or involving the enforcement of such covenants, and any counterclaim, cross-claim or other litigation that may be asserted or brought against Broward Health, Resident hereby expressly waives any and all right to a trial by jury with respect to the action, proceeding or other litigation resulting from or involving the enforcement of the covenant.

10.9. **Survival of Covenants.** All restrictive covenants contained in this Agreement shall survive the termination or expiration of this Agreement.

10.10. **Assignment; Third Party Beneficiary.** Resident expressly acknowledges that the restrictive covenants set forth in this Agreement may be enforced by any
successor or assignee of Broward Health to the same extent as such restrictive covenants could have been enforced by Broward Health.

11. **Continuation and Promotion in the Residency Program; Non-Renewal**

11.1 **Promotion Requirements.** Continuation and promotion in the Residency Program are contingent upon satisfactory academic and professional performance by Resident. Resident will be evaluated in accordance with the rules and procedures set forth in the GME Policies and Procedures. If Resident satisfactorily complies with the requirements of the Residency Program and Broward Health desires to promote Resident to the next level in the Residency Program, Broward Health shall provide a letter to the Resident of its intent to promote the Resident and such letter is incorporated herein by reference.

11.2 **Non-Promotion and Non-Renewal.** In the event that Resident will not be promoted in the Residency Program or if Resident’s participation in the Residency Program is not going to be renewed Broward Health shall provide Resident with a written notice of intent not to renew prior to the end of the Academic Year. In the event the Resident is not promoted following the first year of this Agreement, this Agreement shall terminate following the end of the Academic Year mentioned within the Agreement Summary Section.

12. **Resident’s Representations and Warranties.** Resident represents and warrants to Broward Health each of the following:

12.9. Resident is not subject to any restrictive covenants or conditions or any other restriction that would prevent Resident from entering into this Agreement or being employed by Broward Health.

12.10. Resident is a public employee, and will comply with all laws regulating the conduct of an organization and employee as a public entity.
12.11. Resident is not in default on repayments of scholarship obligations or loans in connection with health professions education.

Nothing in this Agreement is intended to be or shall be construed to afford Resident any status other than that of employee while participating in educational activities and providing Medical Education Services pursuant to this Agreement.

14. **Miscellaneous.**

14.1. **No Economic Interest in Broward Health.** Other than the information contained in this Agreement, or as otherwise disclosed to Broward Health in writing, neither Resident nor any member of Resident’s Immediate Family (as defined in Section 12.1) has a financial arrangement of any kind with Broward Health. For purposes of this Section, the term “financial arrangement” shall be defined as any type of remuneration directly or indirectly, overtly or covertly, paid in cash or in kind. Resident shall complete the Physician Ownership Disclosure Statement.

14.2. **Conflicts of Interest.** Resident does not have, and shall avoid, any activities, investments, contractual relationships and other situations which conflict with its duties to Broward Health under this Agreement. Resident shall complete the Conflict of Interest Disclosure Statement.

14.3. **Indemnification.** Resident shall indemnify, defend and hold Broward Health, its respective agents, officers, directors, members of the Board of Commissioners of Broward Health, representatives, employees and independent contractors harmless from and against any and all claims, judgments, penalties, liabilities, losses, damages and expenses (including reasonable attorney's fees and costs) brought or asserted by or on behalf of a third party arising from any negligent act, omission, conduct or misconduct of Resident in the performance of Resident’s obligations under this Agreement. The obligations under this Section shall survive termination, or nonrenewal of this Agreement.

Resident shall certify that Resident has received and reviewed such documents and understands them, and shall document such certification as and in the manner requested by Broward Health.

14.5. **No Waiver.** Failure by either party to insist upon the strict performance of any covenant, agreement, term, or condition of this Agreement or to exercise a right or remedy shall not operate as, or be construed to be, a waiver of any existing or subsequent breach of the same or other provision of this Agreement.

14.6. **Conflict in Terms.** Except as provided for in Section 10.1, in the event of a conflict between any provision(s) of this Agreement and any provision(s) set forth in the Broward Health Policies and Procedures Manual, the GME Policies and Procedures or any other policies of Broward Health, the provision(s) set forth in this Agreement shall control the obligations and duties of the parties.

14.7. **Execution.** This Agreement may be executed in one or more counterparts, each of which when so executed and delivered (whether by facsimile, e-mail, or other electronic means) shall be deemed to be an original, and all of which taken together shall constitute one and the same instrument. A facsimile, PDF, or other electronic signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed), and shall be deemed an original signature for all purposes under this Agreement.

14.8. **Assignment.** The Agreement may not be assigned by Resident except with the prior written consent of Broward Health, and any attempt to assign or transfer without such consent shall be null and void ab initio. Notwithstanding the foregoing, Broward Health may assign this Agreement and its rights hereunder to any successor or entity owning or operating Broward Health, to a wholly owned subsidiary of Broward Health, to any entity in which Broward Health has an ownership interest, or to an entity which acquires substantially all of its assets.

As an employee of Broward Health, Resident will be entitled to the protection of sovereign immunity pursuant to section 768.28, Florida Statutes, from claims filed during or after Resident’s completion of the Residency Program, but only if the alleged acts or omissions of Resident are within the course and scope of Resident’s duties and occur at a Broward Health Facility during the Term. Resident acknowledges and understands that such coverage may be maintained through a self-insurance program. Nothing in this provision may be deemed or interpreted to protect Resident for any activities of Resident outside the course or scope of the Residency Program.

If the Resident receives any summons, complaint, subpoena, or court paper of any kind relating to activities in connection with this Agreement or the Resident’s activities at Broward Health, the Resident agrees to immediately report this receipt to Broward Health’s Risk Management Department and submit the document received to that office.

4. The Resident acknowledges that limitation from liability provided to the State of Florida’s subdivisions by Florida law may not be available outside of the State of Florida. Resident agrees to notify Broward Health Risk Management Department at least thirty (30) days prior to travelling outside of the State of Florida before such insurance may be required in order to secure proper insurance coverage.

b. **Insurance Coverage for Activities at Non-Broward Health Facilities.** As an employee of Broward Health, Resident shall be entitled to the protection of sovereign immunity pursuant to section 768.28, Florida Statutes, from claims filed during or after Resident’s completion of the Residency Program if the alleged acts or omissions of Resident are within the course and scope of Resident’s duties, as part of the Residency Program, when acting at a Non-Broward Health Facility. In the event Resident is participating in activities that are not part of the Residency Program, Resident is not protected by sovereign immunity.
