

PGY2 Corporate Pharmacy Administration & Leadership Residency Program

The Broward HealthPoint Corporate Pharmacy Administration and Leadership Residency Program will give residents the opportunity to engage in a variety of pharmacy leadership roles to enhance skills in strategic business planning, human resources, healthcare regulations and compliance, quality improvement initiatives to advance pharmacy practice, and much more. Residents who successfully complete this program will acquire the skills to operate effectively within a health system composed of a network of hospitals and community-based health centers and will be prepared for a position in pharmacy leadership.
