Notes:

*Elective rotations can be scheduled during PGY-4 or PGY-5. The elective can be chosen from: Sports medicine, spine, adult reconstruction, hand, foot and ankle, pediatric orthopaedics, musculoskeletal oncology, shoulder and elbow surgery.

** During PGY 1-5 vacation can be scheduled in any block with the approval of the attending physician, the chief resident and the program director. Residents are discouraged from taking vacation while on the pediatric orthopaedic and musculoskeletal oncology rotations.
